WORK EXPERIENCE

Food Lion LLC

Concord NC

Customer Service

Nov 2013 – present

- I was part of creating and maintaining a safe, enjoyable, efficient shopping experience for every single customer. I also played my role in company projects such as Food Lion Feeds where we provide meals to local food banks.

SCHOOL HONORS AND ACTIVITIES

- National Beta Club - Students are nominated for Beta Club in their junior and senior years of high school. I have been a member for both years, maintaining a GPA of 3.68 or higher. Beta Club is the nation's largest independent, educational, non-profit, youth organization in the country. It encourages and rewards academic achievement. Members become very involved in numerous service projects for their school and community. One activity that I found most rewarding is the Angel Tree project through the Salvation Army, which provides clothing and gifts to children and families in need.
- DECA - I was in DECA my sophomore and junior year. DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools and colleges around the globe. I competed with other schools, both countywide and statewide, in real world business situations, learning to apply our knowledge to help find positive solutions to modern day business issues. Our 11th grade team competed nationally in Anaheim, CA.
- Key Club - I have been an active member of Key Club for all four years of high school. Key Club is an international, student-led organization that provides members with opportunities to perform service in their community while building character and developing leadership skills. Last year our club ranked 9th nationally in raising money for UNICEF.
- King of the Court - I helped organize a team and participated for the last two years. King of the Court is a countywide annual charity event to raise money and awareness for the fight against breast cancer. Each school in the district organizes a volleyball team to compete at this event.
- Athletics - I have been an active member in my high school's organized sports. As a freshman I played JV basketball and ran track. As a sophomore I played JV soccer and JV basketball. As a junior and senior I played Varsity soccer.

NON-SCHOOL RELATED ACTIVITIES

- Carolinas Medical Center Northeast - For the past three summers I served as a junior volunteer at my local hospital. My duties have included transportation, deliveries and inventory.
- YMCA Leadership Club - I was a member of this organization for my freshman and sophomore year. The role of the YMCA Leadership Club is to organize and support local community service projects with non-profit organizations, while building leadership and character in its members. In addition to volunteering, the Club conducts exercises in democratic decision-making, assessing and understanding community needs, understanding cultural diversity and team building projects.
- Young Life - I have been a member of Young Life for the last two years. Young Life is a multicultural ministry for high school students. Junior year I was able to attend their summer camp at Windy Gap.

ADDITIONAL SKILLS

- Good listener and follower, but more than ready to be a leader when the opportunity presents itself.
- Legible writing and can understand college level reading, including scientific and social writings.
- Sports experience and team orientated. Proud to be working for the whole as well as myself individually.
- Team player and will be efficient in making group activities effective.
- Good with numbers and calculus, can work with money as well.
- Understanding of the importance of customer service and maintaining positive relationships with clients and peers.
- Very social and approachable in public and private environments.
- Knowledge of Microsoft Offices as well as major operating systems.
- Very good with a computer and can easily learn new programs and understand systems.
- Not dependent on tasks to remain efficient, I am capable of independently finding a productive use of my time when need be.
- Self motivated for personal goals, as well as motivated to help achieve team goals.
- Neat and organized. Capable of maintaining an efficient and productive work environment.
- Very adaptable to both learning and teaching situations.
- Never content with settling. An understanding of always having an aspect that can be improved and bettered.
